Example

- The mark above shall always be used on certificates issued in conjunction with the Client's name and have the certificate number adjacent to it.
- The mark may be used on stationery, such as headed letter paper and advertising brochures, and only in connection with the International Quality Standard scope of supply listed on the certificate.
- The mark shall not be used on flags, buildings, vehicles, packaging, directly on products, nor on promotional products such as calendars, diaries, coasters, etc.
- The mark shall not be used in any way to imply product approval, nor on documentation such as test certificates and certificates of conformity.
- The certificated Client shall, upon reasonable notice, discontinue any use of the mark which is considered to be unacceptable to the DAS Certification.
- The mark may be reproduced in any size provided the configuration is strictly adhered to, including the surrounding frame.

1.4 Use of the DAS Certification Unaccredited Logo

Note : The above logo shall be used if the client is certified to unaccredited ISO 9001:2015, 14001:2015 & 45001:2018

- Upon suspension of the accreditation, the certified body (The client) shall immediately cease to use its stationery and other publicity material that has the accreditation logo on it. The use can be restarted only after the suspension is revoked by the DAS.
- Upon termination of the certification the certified body (The client) shall immediately cease to use its stationery and other publicity material that has the certification logo on them

Example

- The symbol shall never be used in conjunction with the accreditation body logo
- The symbol shall always be used in conjunction with the Client's name.
- The symbol may be used on stationery, such as headed letter paper, advertising brochures, test certificates and certificates of conformity and only in connection with the International Quality System Standard and scope of supply listed on the Certificate.
- The symbol may be used on vehicles, buildings or flags which bear the name or emblem of the Client.
- The symbol shall not be used in any way to imply product approval.
- The certified Client shall, upon reasonable notice, discontinue any use of the symbol which is considered to be unacceptable to the DAS Certification.
- Upon termination of the certification, for whatever reason, the Client shall discontinue all use of the symbol immediately.

The same conditions of logo usage shall apply in case of non-accredited certificates also.

1.5 Failure to Comply with the Certification Conditions Suspension and withdrawal of certificate approval

If the Client/certificate holder fails to maintain compliance with the requirements of certified standard such as **ISO 9001, 14001, 45001** those requirements detailed in Certification Conditions Document and those commercial and operating requirements of the DAS Certification then;

- The client/certificate holder is formally informed in writing/fax/phone/email about the failure of compliance to the above conditions and asked to detail corrective action.
- If the client refuses to respond to correct the non-compliance to the above conditions then the DAS scheme manager shall contact the client and inform the client that the certificate may be suspended initially for 6 months and after 6 months if the situation is unchanged the certificate is cancelled and the client is required to return the certificate and cease to use and distribute any literature, stationery, etc., referencing the certificate of DAS **Certification** mark/symbol.
- If the period of surveillance exceeds the contracted period from completion of the stage 2 audit (6m, 9m, 12m.) or the recertification period exceeded the three year period the rules of suspension also apply

Special Audits

- **Extension to scope – DAS** shall review the application for extension to the scope of certification and shall determine the need of any audit activities. Depending on the complexity of there change this may require a special visit or may be conducted in conjunction with a surveillance audit.
- **Reduction of scope of certification – DAS** shall review the extent of reduction of scope of certification and the GM will determine the need of any audit activities. **DAS** shall contact the client and ask him to return the certificate and then re-issue a certificate with the reduced scope.
- **Short-notice audits – DAS** reserve the right to conduct short notice audits on certified clients to investigate complaints, in response to changes or as follow up on suspended clients.
